

Professional Résumé

KEVIN B. MACDONALD

Professor

Department of Psychology

California State University-Long Beach

Long Beach, California 90840-0901

Phone: (562) 985-8183

Fax: (562) 985-8004

Email: kevin.macdonald@csulb.edu

Webpage: <http://www.csulb.edu/~kmacd/>

ACADEMIC PREPARATION

Post-secondary Education

Post-Doctoral Fellow, 1981–1983; University of Illinois, Department of Psychology (Dr. Ross Parke Supervisor)

University of Connecticut; Ph. D. in Biobehavioral Sciences, 1981 (Dr. Benson E. Ginsburg, Advisor)

University of Connecticut; M. S. in Biology, 1977.

University of Wisconsin-Madison; B. A. in Philosophy.

ACADEMIC EMPLOYMENT HISTORY

Visiting Assistant Professor, 1983–1985

Department of Psychology

Trinity College

Hartford, Connecticut

Assistant Professor, Sept. 1985–May, 1989

Department of Psychology

California State University-Long Beach

Long Beach, CA 90840-0901

Associate Professor, Sept. 1989–1994

Department of Psychology

California State University-Long Beach

Long Beach, CA 90840-0901

Visiting Associate Professor, Spring and Winter Quarters, 1990
 Institute of Child Development
 University of Minnesota
 51 East River Road
 Minneapolis, MN 55455

Professor, Sept. 1994–present
 Department of Psychology
 California State University-Long Beach
 Long Beach, CA 90840-0901

HONORS

CSULB Distinguished Faculty Scholarly and Creative activities award, 1994–1995

PROFESSIONAL ACTIVITIES

Editor of *Population and Environment* beginning with Volume 21, 1999–2000 through Volume 25, 2004. *Population and Environment* is published by Human Sciences Press of Plenum Publishing Corp. Further information can be found at their website: <http://www.plenum.com/title.cgi?1031>

Member of the following organizations: Society for Research in Child Development; The Human Behavior and Evolution Society; International Society for Human Ethology; Politics and the Life Sciences

Elected to six-year term as Secretary-Archivist and member of the Executive Council of the Human Behavior and Evolution Society, June, 1995.

Editor of *Human Behavior and Evolution Society Newsletter*, 1997–1998.

Child Development editorial duties: Editorial Board under Gary Ladd, 1989–1994; *Ad hoc* reviewer under Larry Steinberg, 1995–2000.

Program co-chair of 1993 meetings of the Human Behavior and Evolution Society

Recent Reviewing: *Behavioral and Brain Sciences*, *Child Development*, *Developmental Psychology*, *Journal of Personality and Social Psychology*, *Journal of Family Psychology*.

Prepared an invited contribution in May 1994 for the UNESCO-Organisation Mondiale pour l'Éducation Préscolaire Project on Children's Play organized by Brian Sutton Smith and written by Claude Pineault. Pineault summarized the invited contributions and presented the results to UNESCO.

Invited to archive my papers in the CogPrints E-Print Archive by Stevan Harnad, Professor of Psychology and Director of the Cognitive Sciences Centre, University of Southampton, Highfield, Southampton, SO17 1BJ UNITED KINGDOM. (February, 1998)

Appointed to Graduate Faculty of the University of Maine as an Externals Graduate Faculty member, Oct. 15, 2007. Served on Rachelle Smith's Ph.D. Committee. She obtained her degree in May, 2009.

EXTERNAL GRANT SUPPORT

“Parent-child interactions of neglected and rejected children”. National Institute of Mental Health Small Grant #1 RO3 MH39005-01 awarded in September, 1984 in the amount of \$15,000 plus \$11,466 overhead. The total award was \$26,466.

“Parent-child interactions of hyperactive boys”. National Institute of Mental Health Research Grant #1 RO1 MH41697-01 awarded in August of 1986 for the amount of \$42,461, including \$11,846 in indirect costs. I have received an extension on this grant until July, 1988.

“The effects of medication on physical play in ADHD children”. National Institute of Mental Health Grant #1RO3MH46493-01A1 for 1 year at approximately \$38,000 direct costs, running from April 1, 1991 to March 31, 1992, extended to March 31, 1993.

PRESENTATIONS

Social organization and mating in a captive wolf pack. (With Schotte, C. S., Smiley, L., and Ginsburg, B. E.) Paper presented at the Animal Behavior Society Meetings, The Pennsylvania State University, June, 1977.

Activity patterns in a captive wolf pack. Paper presented at the Animal Behavior Society Meetings, The Pennsylvania State University, June, 1977.

Induction of normal behavior in isolate reared wolves. Paper presented at the Animal Behavior Society Meetings, New Orleans, June, 1979.

Development and stability of personality characteristics in prepubertal wolves. Paper presented at the Behavior Genetics Association Meetings, Wesleyan University, Middletown, Connecticut, July, 1979.

The ontogeny of individual differences in a litter of wolf pups. Paper presented at the Northeastern Regional Meetings of the Animal Behavior Society, SUNY-Binghamton, November, 1980.

Human sociobiology: The roles of sociocultural and developmental influences. Paper presented at the Symposium on Human Sociobiology, organized by Dr. Nancy Burley of the University of Illinois Department of Ecology, Ethology and Evolution as part of the Midwest Regional Animal Behavior Society Meetings, February 13, 1983.

Bridging the gap: Parent-child interaction and peer interactive competence. Research paper presented at the meetings of the Society for Research in Child Development, Detroit, Michigan, April, 21, 1983.

Biological and cultural interactions in early adolescence: A sociobiological viewpoint. Paper presented at a symposium organized by Richard M. Lerner and Terri Foch entitled "Biological-psychosocial interactions in early adolescence: A lifespan perspective" held at The Pennsylvania State University, May 9–11, 1984.

Sociobiology and human development. Paper presented at the Biopsychology Seminar Series, Department of Psychology, University of Connecticut, Storrs, January 25, 1985.

The plasticity of human social organization and behavior: Contextual variables and proximal mechanisms. Paper presented at a conference entitled "Evolved Constraints on Human Culture" held at UCLA, May 19–20, 1986.

I presided over a workshop entitled "Father/daughter and father/son" at a conference entitled "Early childhood: Concerns, changes challenges sponsored by the Coastline Community College at the Westin South Coast Plaza Hotel in Costa Mesa, June 14, 1986.

The roles of temperament and the regulation of affect in social development. Paper presented at a symposium entitled “Clinical Applications of the Behavior Genetic Model” at the Behavior Genetic Association meetings in Honolulu, Hawaii, June 18–21, 1986.

Paper on roughhousing in the preschool presented with R. Porter at the Third Annual Regional Conference for Before and After School Programs for School Age Children 5 through 14, sponsored by Long Beach City College, Child Development Department, LBCC Foundation and the Child Development Associates, Saturday, March 21, 1987 and held at LBCC.

The regulation of affect in parent-child interactions with hyperactive children and children of differing sociometric status. Paper presented at a symposium entitled “Family and Peer Systems: Modes of Linkage” given at the meetings of the Society for Research in Child Development, organized by Ross Parke, Baltimore, MD, April 24, 1987.

Paper presented with R. Porter on roughhousing in the preschool presented at the National Association for the Education of Young Children (NAEYC) in Chicago, November, 1987.

Hyperactivity and temperament. Paper presented at the 9th Highpoint Hospital Symposium on Attention Deficit Disorder held at Whidbey Island, Washington on October 24–25, 1988.

R. Porter and K. MacDonald. Roughhousing in the preschool. Paper presented with R. Porter at the meetings of the National Association for the Education of Young Children in Anaheim on November 10–13, 1988.

Parent-child interactions of ADHD children: Comparisons with children of differing sociometric status. Paper presented at the meetings of the Society for Research in Child Development, April 29, 1989 in Kansas City. ERIC Clearinghouse on Elementary and Early Childhood Education Document #ED 307 999.

Symposium on parenting from an evolutionary perspective held at the meetings of the Society for Research in Child Development, April 28, 1989 in Kansas City. I provided a commentary on the presentations of the other participants.

Evolutionary biology and human development: The emerging synthesis. Symposium in honor of Konrad Lorenz and Niko Tinbergen held at the University of Surrey, Guildford, England, September 9, 1989.

Parent-child physical play, hyperactivity and temperament. Lecture presented at the University of Montreal in their lecture series. October 16, 1989.

The human family in evolutionary perspective. Paper presented at the Institute of Child Development, University of Minnesota, February 15, 1990.

Hyperactivity, parent-child physical play, and temperament. Paper presented at Methodist Hospital Colloquium Series, Minnetonka, MN, April 18, 1990.

Mechanisms of sexual egalitarianism in Western Europe. Paper presented at the meetings of the Human Behavior and Evolution Society, University of California–Los Angeles, August 18, 1990.

Turrentine, E., Kosmo, J., & MacDonald, K. The effects of ritalin on affect regulation during a physical play session among ADHD boys. Paper presented at the biennial meetings of the Society for Research in Child Development, Seattle, WA, April 19, 1991.

What do children want? An evolutionary perspective on children's motivation in the peer group. Presented at a symposium entitled Evolutionary Perspectives on Cooperation and Competition, organized by P. LaFreniere and K. MacDonald, and including W. Charlesworth, B. Chapais, and D. Krebs, at the International Society for the Study of Behavioral Development, Minneapolis, MN, July, 1991.

A Darwinian perspective on the psychology of motivation. Poster presented at the Third Annual Meeting of the Human Behavior and Evolution Society, McMaster University, Hamilton, Ontario, August 22–25, 1991.

An evolutionary perspective on Western European demography. Paper presented at the Third Annual Meeting of the Human Behavior and Evolution Society, McMaster University, Hamilton, Ontario, August 24, 1991.

Warmth as a developmental construct: An evolutionary analysis. Colloquium given at the Department of Psychology, University of California-Riverside, January 27, 1992.

The illegitimate fertility of the English kings. Paper presented at the Fourth Annual Meeting of the Human Behavior and Evolution Society, University of New Mexico, Albuquerque, NM, July 24, 1992.

Warmth as a developmental construct: An evolutionary analysis. Poster presented at the Fourth Annual Meeting of the Human Behavior and Evolution Society, University of New Mexico, Albuquerque, NM, July 23–26, 1992.

Discussant for a symposium entitled "Pretend and physical play as socialization contexts: Characteristics and consequences". This symposium was given at the meetings of the International Society for the Study of Behavioral Development, Recife, Brazil, July 22, 1993. This symposium was organized by Ross Parke (Department of Psychology, University of California-Riverside) and Peter K. Smith (Department of Psychology, University of Sheffield, UK).

The roles of females and non-elite males in the maintenance of socially imposed monogamy in England after the post-Medieval decline of ecclesiastical hegemony. Paper presented at the Fifth Annual Meeting of the Human Behavior and Evolution Society, Binghamton University, Binghamton, NY, August 6, 1993.

The idea of an evolutionary group strategy: Implications for conceptualizing human morality. Paper presented as part of a symposium entitled Evolution and Morality, organized by David S. Wilson and William Irons at the Fifth Annual Meeting of the Human Behavior and Evolution Society, Binghamton University, Binghamton, NY, August 7, 1993.

- Resource Appraisals among Self, Friend and Leader: Toward an Evolutionary Perspective on Personality and Individual Differences. Lusk, J., MacDonald, K. B., & Newman, J. R. Poster presented at the Fifth Annual Meeting of the Human Behavior and Evolution Society, Binghamton University, Binghamton, NY, August 5–8, 1993.
- Social Controls and the Maintenance of Group Evolutionary Strategies. Paper presented at the Sixth Annual Meeting of the Human Behavior and Evolution Society, University of Michigan, Ann Arbor, MI, June 16, 1994.
- Discussant for a symposium entitled “Dimensions and consequences of positive parenting” organized by Greg Pettit (School of Human Sciences, Auburn University) and Alan Russell (School of Education, Flinders University, Adelaide, Australia). This symposium was given at the meetings of the International Society for the Study of Behavioral Development, Amsterdam, The Netherlands, June 30, 1994.
- Invited Seminar speaker; Alison Clarke-Stewart, Program in Social Ecology, University of California-Irvine, October, 24, 1994
- Indoctrination and Group Evolutionary Strategies. Paper presented at a Symposium on Ideology, Warfare, and Indoctrinability sponsored by the Max Planck Society at Ringberg Castle, Germany, January 12, 1995.
- Eugenics as a component of Judaism as a group evolutionary strategy. Paper presented at the meetings of the Human Behavior and Evolution Society, University of California-Santa Barbara, Santa Barbara, CA, July 2, 1995.
- Eugenics and Judaism. Paper presented at a conference on *The Bell Curve*, organized by Richard Lynn. Washington, DC, April 20–22, 1996.
- Life History and Human Development: Alternate Strategies Versus Heritable Variation. . Paper presented at the Meetings of the Human Behavior and Evolution Society, Northwestern University, Evanston IL, June 27, 1996.
- Creating Evolutionarily Effective Groups: Judaism as a Case Study. Paper presented at the Meetings of the Human Behavior and Evolution Society, Northwestern University, Evanston IL, June 30, 1996.
- Creating Evolutionarily Effective Groups: Judaism as a Case Study. Paper presented at the Meetings of the European Sociobiological Society, Alfred University, Alfred NY, July 24, 1996.
- Manipulating Culture in the Service of Evolutionary Goals: The Case of Group Evolutionary Strategies. Paper presented at the 1996 Annual Meeting of the American Political Science Association, the San Francisco Hilton and Towers, August 29, 1996.
- Mitigating risk in Jewish groups. Paper presented at the conference on Risky Transactions, Kinship, and Ethnicity, held at the Werner Reimers Foundation, Bad Homburg, Germany, September 24, 1996.

- Evolution and Personality Psychology: Some Failed Predictions and a Reconceptualization. Poster presented at the meetings of the Human Behavior and Evolution Society, Tuscon, Arizona, June 4–8, 1997.
- The Intellectual Construction of Immigration Policy: An Evolutionary Perspective. Meetings of the European Sociobiological Society, Ghent Belgium, June 30–July 2, 1997.
- Comparisons of Self-ratings, Ideal-self-ratings, and Reputation on the Big Five Personality Factors: Deception versus Self-deception. Kevin MacDonald, Linda Tyer, J. R. Newman. Paper presented at the meetings of the Human Behavior and Evolution Society, Davis, California, July 9–12, 1998
- Life History Theory and Human Reproductive Behavior: Environmental/Contextual Influences and Heritable Variation. Panel on the contribution of fertility to population size organized by Vigrinia Abernethy at the Meetings of the Association of Politics and the Life Sciences, Boston, September 5, 1998.
- MacDonald, K. B., Kale, L., & Clark, G. Love and security of Attachment as Two Independent Systems Underlying Intimate Relationships. Paper presented at the meetings of the Human Behavior and Evolution Society, University of Utah, Salt Lake City, UT, June 4, 1999.
